

Dear Families of Holy Disciples Parish,

We hope this email finds you well and that you are enjoying the summer months with your loved ones!

First of all, thank you for your patience as we continue to work on putting together our Religious Education program for 2022-2023.

Secondly, we currently have set the dates for Parent/Student Orientation for the month of September.

A couple of things to note:

1. Classes will begin October
2. The complete program schedule will be available by mid. August
3. Parent/Student Orientation is divided by specific grade groups. If you have children in several of the groups listed below, you are to attend both of the orientation meetings as the information will be specific to the listed grade group. We want everyone to be on the same page!
4. All questions about parent/student orientation should be emailed to Gintare Lopez: stmmreledgintare@gmail.com
5. Please be attentive to which campus/location your orientation is scheduled to be held
6. August Office Hours for Faith Formation Office remain the same for both campuses: Mondays and Wednesdays 10am-3pm.
